

SOUTH-NORTH PROGRESSIVE FORUM, SNPF AT A GLANCE.

MANTRA.

...Equality in power dynamics.

CORE VALUES.

Non-partisan civic platform - making mobilisation and operation seamless across the partylines.

It's not a support group, but rather a pressure group.

Politically, it works for individual preference - someone who has competence, capacity, proven records/integrity, favoured by charter of equity, with mutual understanding. Socially, advocates for socio-economic development and power balancing.

VISION.

Advocates for equity, fairness, and justice aimed at national integration and unity.

MISSION.

Promotes equitable power distribution between the Southern and Northern Nigeria towards socio-political stability and peaceful co-existence.

MANDATE.

Leads a campaign for a Nigerian president of Southern extraction come 2027 and commits to a Nigerian president of Northern extraction come 2031.

PROGRAMS/PROJECTS.

These are some of our main programs:

1. National Inauguration of our state coordinators and the ancillary bodies' coordinators.
2. Town Hall session with stakeholders and scholars for strategic engagements/solidarities for our campaign.
3. State tours for show of strength and chapter's Inaugurations.

4. Sustained media programs and coverages until general elections.
5. Creation and the running of our WEBSITE portals through to post general elections.

MEMBERSHIP DRIVE.

We have and will engage in the following to drive membership:

1. Incentives. To set targets for coordinators with attendant prizes. E.g, a minimum of 200 per community.
2. Largesses/donations. Invoke the doctrines of empowerment programs.
3. Unconventional structure formations. To adopt uncommon structure formations for the ease of mobilisation at the grassroots.

OUR SERVICES.

We are bound to render the following unconditional services:

1. Vote Mobilisation. To engage in an aggressive vote mobilisation. Our target is a minimum of 10m votes.
2. Lead political campaigns. To vigorously Campaign for our candidates [sensitisation programs onsite/online] after adoptions.
3. Vote protection. To play observer's roles (INEC approved) as to guard the interest of our candidates at the polling units.
4. Sustain advocacy on equitable power and resource distribution in Nigeria - post elections.
5. Engage in collaborative partnerships with both local and international bodies to actualize our core values.

SPONSORSHIP BENEFITS

These are some of the benefits of being a sponsor:

1. Enjoys absolute loyalty of the forum.
2. Forms the head-brand in all our programs (where applicable).
3. Has quantum leverages for solid collaborations.

MEMBERSHIP BENEFITS.

Here are specific benefits for membership:

1. Economic welfare. There are designs for empowerment programs and projects.
2. Political welfare. Members with political interests will enjoy our unwavering supports where and when needed.
3. Social welfare. Protection and advocacy are the bedrock of our membership.

NB: There are over 58,000 communities in Nigeria. Our sure target is to mobilize a minimum of 200 votes per community, giving the over 10m votes projection by 2027.

Thanks

Comrade Onyekwulisi FBI.

Chairman.
